

## Professional Development for Mathematics

- Have you updated your school improvement plan for 2018-19? Is mathematics a priority?
- Decided on your inset for the first week in September?
- Have you set an agenda for your teacher development days and staff meetings?
- Where do you go for approachable, informative CPD that is bespoke to the needs of your staff?

We can provide professional development on the following initiatives and pedagogical issues:

- Development of a mastery approach
- A spotlight on CPA approaches
- Reflecting on reasoning and problem solving
- Going deeper for understanding
- Bar modelling – a comprehensive guide
- Focusing on fluency
- Making mental mathematics matter

### Vanessa Brown and Karen Lawley

Until August 2017, Vanessa and Karen were part of the mathematics team at Entrust. As independent consultants, they are continuing their extensive track record of supporting primary schools to improve and develop the quality of teaching and learning with a specific focus on mathematics. This includes providing high quality, bespoke subject specific training, support, advice, consultancy and professional development across the West Midlands. Both are accredited professional leads for the National Centre for the Excellence in Teaching Mathematics (NCETM)

Vanessa and Karen have a real passion for the teaching and learning of mathematics and have a considerable involvement in teaching mathematics both as teachers, subject leaders and advisers over a long career. Their enthusiasm for mathematics is infectious and they have vast experience of working with a variety of stakeholders in schools to guide and inspire the next generation of mathematicians.

### What do people say about us?

*“Feel like I have learnt so much today and now feeling more confident about leading numeracy in my school”*

*“Very quick pace – useful ideas- covered a lot which was good. Very engaging – made me think and question”*

*“well prepared, presented and informative day”*

### Cost:

Starting at £200 for a half day session for up to 30 delegates.
